Dear AFS Members.

Due to the COVID 19 pandemic, most of our 2020 activities had to be cancelled. We must adhere to laws and regulations by Government and ASA, therefore we are not able to predict when our 2020 activities will be activated again. The ruling is still that all activities for 2020 is cancelled until further notice.

The following e-mail was received from the AFS Cross Country Commission:

This is just to confirm that the Cross-Country Season for 2020 is officially cancelled due to the Covid-19 pandemic. There will be no cross Country this year, 2020, as ASA also cancelled the SA Cross Country Championships in September in Amanzimtoti!

May you all be safe and healthy. Train safely! If all goes well, we will take on 2021 Cross Country season in May 2021!!

Despite abovementioned, it must not prevent us to plan for 2021, therefore, attach please find the following documents:

- 2021 AFS Activity List requests.
- 2021 AFS Activity List request Insurance.
- 2021 AFS with ASA Activity List Draft 24 July 2020.
- 2021 Calendar.

**E-Mail your request to [admin@athleticsfs.co.za](mailto:admin@athleticsfs.co.za) before or on Monday 31 August 2020.**

To prevent a lot of difficulties, please make sure you submit the documents on time.

Stay Safe, Stay Healthy.
